HOUSEHOLD INSURANCE REQUIREMENTS

We require that your property is insured for the full reinstatement value, from exchange of contracts.

Please complete the declaration below to confirm that you understand, and agree to meet, our requirements regarding insuring the property.

INSURANCE ARRANGEMENT DECLARATION

I/We agree:

1. except where the mortgaged property is insured in accordance with paragraph 2 below:

- (a) to maintain, from exchange of contracts, an insurance policy against all usual house insurance risks, including but not limited to fire, explosion, earthquake, storm, flood, escape of water or oil, subsidence, heave, landslip, and malicious damage;
- (b) to ensure the insurance policy covers the cost of full reinstatement of the mortgaged property, including clearing the site and paying all fees and expenses;
- (c) to ensure the insurance policy is enough to put the mortgaged property back to its original state following any amount of damage or destruction;
- (d) to produce evidence of the insurance policy that is in place together with proof of payment of the premiums if requested;
- (e) to inform the Lender as soon as possible about any damage to the mortgaged property which could give rise to a claim under the insurance policy;

2. in the event that the mortgaged property is leasehold or commonhold and the terms of the lease, or the commonhold community statement, provide for the mortgaged property to be insured by a third party:

- (a) to seek approval of the insurance policy and confirmation that it is in force from our legal advisers;
- (b) to do my/our best to ensure that the mortgaged property remains insured against all risks detailed in paragraph 1(a) above and for the cost of full reinstatement of the mortgage property;

3. to pay all insurance premiums on time and to not do anything or allow anything to be done or not done which may make the insurance invalid or which makes the insurance more difficult or expensive to obtain or maintain or affects the ability to make a claim under the insurance policy; and

The Borrower(s) acknowledge that the Lender does not accept any liability in connection with the cover arranged and will not check the terms and conditions of the policy.

By signing this form I/we agree to insure the buildings of the mortgaged property from exchange of contracts and to keep the property appropriately insured as set out above (or where the mortgaged property is leasehold or commonhold and the terms of the lease or the commonhold community statement provide for the mortgaged property to be insured by a third party, ensure that I/we will comply with the requirements of paragraph 2). If at any time there is no insurance cover on the property I accept that I run the risk of having to fund repairs myself in the event of damage. In such circumstances the Lender reserves the right to take appropriate action to protect its interest in the property.

VALUATION AND OTHER OCCUPANTS

Before buying your property you should consider arranging a survey to check on the condition of the property and to identify any problems that might affect its value. The Cambridge Building Society will carry out a basic mortgage valuation, or equivalent, to confirm the property forms suitable security for the mortgage you've applied for. This report is designed for the benefit of The Cambridge as a lender only and does not include full details about the condition of the property.

This report may not include a physical inspection and you may not receive a copy of the report.

Before purchasing a property you may want to consider having a survey of the property's condition. Legal & General Surveying Services (LGSS) provides such a service via their SmartSurvey and other survey options. This transaction, including any charges, will be independent of The Cambridge and The Cambridge does not receive any commission. Where applicable, LGSS will contact you to collect the fee for your mortgage valuation and can provide you with further information and a quote for a survey at this time. If you don't require a quote you can let them know. You'll not be contacted until your application has passed initial underwriting assessment. Alternatively, visit SmartSurvey.lgsurvey.co.uk/cambridge for further information and to get an instant quote.

If your chosen mortgage product includes a free mortgage valuation, but you'd like a quote from LGSS for SmartSurvey (or their other survey options) to assess the condition of the property, you'll need to visit their website or contact The Cambridge so we can put you in touch with LGSS.

What is your estimated current value of the property or the purchase price?

SOLICITOR DECLARATION

Usually when a solicitor or licensed conveyancer is instructed, they will act on behalf of both the borrower(s) and The Cambridge Building Society. For this reason, we have in place a panel of solicitors that we've approved to act on your behalf. If you choose to appoint a solicitor or licensed conveyancer who isn't on our panel The Cambridge will also instruct its own solicitor. This will mean that you'll be responsible for the Society's legal fees in addition to your own and you may experience a longer mortgage application processing time.

- I/we confirm that we have been informed and fully understand the implications of selecting a solicitor or licensed conveyancer who is not a member of The Cambridge Building Society panel of solicitors.

DECLARATION

This declaration relates to the information which I "the applicant" have provided and to any other information which third parties provide to The Cambridge, or which The Cambridge hold on me.

1. I agree that to the best of my knowledge and belief, the information is true and complete and I will notify The Cambridge of any changes in my circumstances which occur before the mortgage is completed.
2. In addition to obtaining evidence of my income (such as payslips and P60s) The Cambridge may take up such references and make such enquiries about me as considered necessary (e.g. from an employer, landlord, accountant, HM Revenue and Customs, the Department of Work and Pensions or other financial institution). I give my permission to any person to disclose information to The Cambridge in connection with this application. I understand that this may include a request to confirm my income.
3. I confirm that I am entitled to disclose information about any joint applicant, partner/spouse or any third party named on this application and that this application is for the benefit of all applicants. Where it is not for the benefit of all applicants (e.g. the loan is for the benefit of one borrower and not both, or the loan is for the benefit of a third party), I have made The Cambridge aware as to the purpose of the loan, and the name and address of the person who will benefit. Where the application is not for the benefit of all applicants, I acknowledge that independent legal advice should also be taken.
4. In applying for a mortgage with The Cambridge I apply to be a Borrowing Member according to the Rules of the Society, copies of which are available on request. If this is a joint application by individuals, the first applicant will be the person named first on The Cambridge's records in respect of this mortgage, and will be the Representative Joint Borrower according to the Rules. I acknowledge that on completion I will be bound by The Cambridge Building Society's Rules.
5. I agree that The Cambridge may transfer, assign or otherwise deal with any interests it may have in the mortgage or any other security and enter into contractual arrangements with other parties in connection with the funding of the mortgage. This includes passing any information relating to this mortgage account to such other parties, their agents or advisers for the purpose of funding the mortgage.
6. If The Cambridge offers me a loan, I accept that this does not imply that the price paid for the property is reasonable and I understand that where only a standard valuation of the property is obtained, this is for mortgage purposes only. I accept that neither The Cambridge nor its valuer accepts any responsibility for the value or condition of the property because of this report and valuation.
7. I confirm that if this application is successful, the provisions of this declaration will continue to apply throughout the life of the mortgage, up to and including redemption.
8. I understand that my monthly payment will be collected by Direct Debit. The Cambridge will give me seven working days' notice of any change in the amount or date of my Direct Debit collections. I understand that if The Cambridge offers me an additional loan, my monthly payment will increase and will be collected by the same Direct Debit as my existing loan payment.
9. I acknowledge that The Cambridge does not have to make an offer of a loan and if I have paid an application fee for a particular product then I acknowledge that the fee is non-transferable and non-refundable if I do not meet its lending criteria.
10. If I have applied for a residential mortgage, I confirm that I or a member of my immediate family, currently live(s), will be living or am/is intending to live, in at least 40% of the property as a dwelling. I understand that immediate family relates to anyone who is a spouse, parent, brother, sister, child, grandparent, or grandchild; or any other person whose relationship with me is classed as cohabiting.
11. I confirm that The Cambridge's mortgage will have first charge on the property.
12. I irrevocably authorise my legal adviser to send their entire file relating to the whole transaction (not just the mortgage) to The Cambridge at your request (whether the request is made during or at any time after completion of the transaction) and I hereby waive any right to claim solicitor/client confidentiality or legal privilege in respect of any correspondence, documents or information relating to the whole transaction.

This is our standard declaration upon which we intend to rely. For your own benefit and protection you should read these terms carefully before accepting the declaration. If you do not understand any point please ask for further information.
